

# Georgia Promise Scholarships Quick Start Guide

Georgia's Promise Scholarship Act is the state's first Education Savings Account program. This innovative ESA empowers families whose children are in Georgia's lowest-performing public schools to access around \$6,500 per year in state education funds.

## QUICK FACTS

**Name:** Promise Scholarships

**Eligibility 2025–2026:** Kindergarteners and grade 1–12 GA students with a year of enrollment in low-performing districts.

**Applications:** Rolling applications.

**Amount:** \$6,500 per student, per year.

**Qualifying Educational Expenses:** Private School Tuition, Online Education, Curriculum, Computers, and more

## How to Make a Purchase

When Odyssey completes their set up, Promise families will have *at least* two payment options to consider when using their scholarship: *Marketplace and reimbursement*.

- To use your Promise Scholarship with Veritas Press,** first log into your Odyssey account: *withodyssey.com*
- Marketplace** — You can then select the Veritas Press items or tuition you wish to purchase and pay using your ESA funds at checkout on the Odyssey Marketplace. Simple!
- Reimbursement** — For qualified expenses you pay out-of-pocket (check the program FAQ). If so, you would purchase the Veritas Press curriculum or course with personal funds, then submit a reimbursement request in the Promise portal. You'll need to upload your receipt and details of the purchase.
