How to Make a Purchase

When Odyssey completes their set up, Utah Fits All families will have at least two payment options to consider when using their scholarship: *Marketplace and reimbursement*.

- ✓ **To use your UFA scholarship with Veritas Press,** first log into your Odyssey account: *withodyssey.com*
- ✓ **Homeschool Marketplace** — Find Veritas Press on Odyssey's Utah Fits All Marketplace, choose a course or class and Odyssey will directly pay Veritas from your UFA scholarship wallet. Simple!
- ✓ **Private School Tuition** — Starting August 21, you can choose Veritas Press as an approved private school expense. When you apply for an upcoming school year, you'll set up a payment schedule and Odyssey will pay tuition automatically.
