

## **Syllabus: Algebra Refresher - Summer**

### **Course Description**

This non-graded course provides a targeted review of the last half of Elementary Algebra (Jacobs). Intended for the student who has studied Algebra I topics but seeks a solid review to proceed with higher math courses offered by Veritas Press.

### **Attendance and Participation**

Both attendance and participation are vital parts of this course; therefore, students are expected to attend class sessions and participate actively in discussions. Students are expected to view archives of any missed classes, and are responsible for obtaining any notes or assignments.

### **Assignments**

The student is expected to complete all homework, tests, and final exam. Homework problems should be worked on a regular basis.

Students will take a test at the end of each chapter and a final exam. All exams should be taken in one sitting and proctored by an adult. Unless directed by the teacher, students are not permitted to use any helps, books, notes or the Internet on any portion of exams. A calculator may be used. All exams are due at 11:55 PM ET on the date shown.

### **Evaluation**

This is a non-graded course.

### **Textbooks/Materials**

The books needed for the class can be purchased through Veritas Press. It is extremely important that the student has the correct version/edition of these materials.

Algebra I Course Kit (003551)

- Elementary Algebra Student Text (620035)
- Elementary Algebra Solutions Manual (620039)

### **Course Calendar**

See Course Assignment Sheet, located on course page, for class dates, breaks and all assignments and assessments. Class dates and breaks can also be found on the current academic year calendar.
