

Syllabus: Latin - Grammar 3

Course Description

This course is a basic introduction to Latin covering beginning vocabulary (including Latin roots), grammar, pronunciation and translation. Students will learn new vocabulary each week, to conjugate verbs and basic Latin grammar. Teaching will include worksheets, games, chanting, tests, and oral and written translation work. Learning Latin in grammar school is fundamental to mastering language in general and proves to be the paradigm discipline of the grammar stage in classical education. Recommended for grades 3-4. Homework will average 1 - 2 hours per week.

Attendance and Participation

Both attendance and participation are vital parts of this course; therefore, students are required to attend class sessions and participate actively in discussions. Students are expected to view archives of any missed classes, and are responsible for obtaining any notes or assignments.

Students will be given quarterly grades for both participation and attendance:

- Fifteen percent of the final grade will be attributed to *relevant class participation*. This includes raising one's hand, commenting regularly via microphone/webcam, and using the chat box regularly to contribute to the academic conversation.
- Five percent of the final grade will be attributed to *class attendance*. Being present, being on time, and readiness for class are all factors to be considered in the class attendance grade. *Excused* absences will not detrimentally impact attendance grades.

Grading rubrics are located in the Course Documents folder in each course page.

Assignments & Tests

There are weekly worksheets and quizzes in the Latin for Children Primer A curriculum. We will discuss the answers to the worksheets and the quizzes in class. Even though they are not graded, students are expected to be prepared for going over them in class, and their ability to answer the questions will be included in their class participation grade for the day. The homework grade consists of weekly exercises completed online.

Seven unit tests will be given throughout the year. Descriptions and due dates are given on the course page. There will be weekly vocabulary quizzes that are taken online. All tests should be taken in one sitting and proctored by an adult. Unless directed by the teacher, students are not permitted to use any helps, books, notes or the Internet on any portion of tests. All tests are due at 11:55 PM ET on the date shown. Specific instructions will be provided by the instructor.

Evaluation

The final grade is determined on the following basis:

- | | |
|--------------------------------|-----|
| ● Class Attendance | 5% |
| ● Relevant Class Participation | 15% |
| ● Homework | 10% |
| ● Quizzes | 30% |
| ● Tests | 40% |

Grading Scale

The following grading scale will apply for all assignments and final grades.

100% – 90% = A; 89% - 80% = B; 79% - 70% = C; 69% - 60% = D; 59% - 50% = E; 49% - 40% = F. All grades are rounded to the nearest whole number.

Late Work

If a student fails to submit any assessment by the due date, it is considered “late.”

- Assignments submitted 0-24 hours late will result in a 10 point reduction off earned grade.
- Assignments submitted 24-48 hours late will result in a 20 point reduction off earned grade.
- Assignments submitted 48-72 hours late will result in a 30 point reduction off earned grade.
- Assignments over 72 hours late will not be accepted and the student will receive a zero.
- Parent may request an extension from their child’s teacher *prior to the due date* or in the case of an emergency.

While we love grace and the opportunity to exercise it, we also desire to instill a sound sense of responsibility in our students, hence these expectations pertaining to late work.

Exam/Test Retakes

Any student may retake a failed assessment (except quizzes), but can score no higher than 70% on the retake. Retakes must be submitted within one week of the returned, failed test. If the retake is not submitted within one week, the original failing grade will stand.

Academic Dishonesty

Cheating on any assignment is considered academic dishonesty. This includes plagiarism in any form. Cheating will be dealt with in the following manner:

- If a student is caught cheating, he will receive a zero on the assignment and will be placed on academic probation for the remainder of the school year.
- If the same student is caught cheating again, he will likely be expelled.
- No refunds will be granted for students who are expelled due to cheating.

- A Disciplinary Action Form will be submitted by the student's teacher for any instance of academic dishonesty.

While we love grace and the opportunity to exercise it, we also desire to instill a sound sense of responsibility in our students, hence these expectations pertaining to late work.

Textbooks

The books needed for the class can be purchased through Veritas Press. It is extremely important that the student has the correct version/edition of these materials.
