

Syllabus: US History

Course Description

Beginning with the Explorers and ending with modern American history, students will look at American history from a biblical worldview. And it's an amazing story—one that is filled with God's grace. There may be no other country that has been blessed as much as the United States. We must learn this history in order to build on that extraordinary past and not squander it. Homework will average 2 - 3 hours per week.

Attendance and Participation

Both attendance and participation are vital parts of this course; therefore, students are required to attend class sessions and participate actively in discussions. Students are expected to view archives of any missed classes, and are responsible for obtaining any notes or assignments.

Students will be given quarterly grades for both participation and attendance:

- Fifteen percent of the final grade will be attributed to *relevant class participation*. This includes raising one's hand, commenting regularly via microphone/webcam, and using the chat box regularly to contribute to the academic conversation.
- Five percent of the final grade will be attributed to *class attendance*. Being present, being on time, and readiness for class are all factors to be considered in the class attendance grade. *Excused* absences will not detrimentally impact attendance grades.

Grading rubrics are located in the Course Documents folder in each course page.

Assignments & Exams

Students are responsible for completing all reading and homework assignments prior to the next class meeting. These assignments are designed to help the student better understand important ideas, concepts and events, which will allow the student to make contributions in the class discussion. Students will be assigned two projects per semester. These projects will be designed to help the students think carefully about key events and people in U.S. History. Students will take an exam for each unit of the textbook. Exams will consist of information contained in the textbook as well as the class lectures and discussions. Students will take a midterm exam at the end of the first semester and a final exam at the end of the school year. Each exam will be cumulative for each respective semester.

All exams should be taken in one sitting and proctored by an adult. Unless directed by the teacher, students are not permitted to use any helps, books, notes or the Internet on any portion of exams. All exams are due at 11:55 PM ET on the date shown. Specific instructions will be provided by the instructor.

Evaluation

The final grade is determined on the following basis:

- | | |
|--------------------------------|-----|
| ● Class Attendance | 5% |
| ● Relevant Class Participation | 15% |
| ● Homework | 10% |
| ● Quizzes | 10% |
| ● Projects | 15% |
| ● Exams | 15% |
| ● Midterm/Final Assessment | 30% |

Grading Scale

The following grading scale will apply for all assignments and final grades.

100% – 90% = A; 89% - 80% = B; 79% - 70% = C; 69% - 0% = F. All grades are rounded to the nearest whole number.

Late Work

If a student fails to submit any assessment by the due date, it is considered “late.”

- Assignments submitted 0-24 hours late will result in a 10 point reduction off earned grade.
- Assignments submitted 24-48 hours late will result in a 20 point reduction off earned grade.
- Assignments submitted 48-72 hours late will result in a 30 point reduction off earned grade.
- Assignments over 72 hours late will not be accepted and the student will receive a zero.
- Parent may request an extension from their child’s teacher *prior to the due date* or in the case of an emergency.

While we love grace and the opportunity to exercise it, we also desire to instill a sound sense of responsibility in our students, hence these expectations pertaining to late work.

Exam/Test Retakes

Any student may retake a failed assessment (except quizzes), but can score no higher than 70% on the retake. Retakes must be submitted within one week of the returned, failed test. If the retake is not submitted within one week, the original failing grade will stand.

Academic Dishonesty

Cheating on any assignment is considered academic dishonesty. This includes plagiarism in any form. Cheating will be dealt with in the following manner:

- If a student is caught cheating, he will receive a zero on the assignment and will be placed on academic probation for the remainder of the school year.
- If the same student is caught cheating again, he will likely be expelled.

- No refunds will be granted for students who are expelled due to cheating.
- A Disciplinary Action Form will be submitted by the student's teacher for any instance of academic dishonesty.

Textbooks

The books needed for the class can be purchased through Veritas Press. It is extremely important that the student has the correct version/edition of these materials.
