

St. Lucia Crown

MATERIALS:

white card stock
green, red, and orange/yellow construction paper
glue
scissors
glitter (optional)
templates (included)

DIRECTIONS:

1. Measure around your child's head then cut band of white card stock (1" wide and length of measurement long) to wrap around your child's head for the base of the crown.
2. Trace leaf templates on green paper. Cut out as many as you need to cover white band. Glue green leaves onto white band in an overlapping pattern.
3. Trace candle template onto white cardstock for six candles. Cut out candles and glue onto crown, evenly spaced.
4. Trace flame template onto orange or yellow paper. Add glitter to flames if desired. Once dry, glue flames onto top of candles.
5. Trace berry template onto red paper. Glue berries onto crown as desired.
6. Once dry, secure crown with staples or glue and fit on child's head.
